

Placing Holds

Patrons may reserve library materials in one of three ways:

1 **Speak to a librarian in-person or by phone!** For juvenile materials, call the Children's desk at **908-757-1111 x129**, and for adult & young adult materials, call the Reference desk at **908-757-1111 x112**.

2 **Use our online catalog!** To access our catalog, visit **plainfieldlibrary.info** and click on **Your Library Card** in the top right corner. You will have to log in with your library card number and PIN to place holds on your account.

3 **Request an inter-library loan!** If you want an item which we don't own, and no other libraries in our system have it, you can call our Inter-Library Loan department at **908-757-1111 x118** to request the item from libraries which are not part of our consortium.
